

*This will be a very brief edition since we are already almost finished with October (it has gone by so quickly!).*

**CPSA Event Update:** Make sure you are aware of the change in event at the end of the month. There was going to be a dance, but it has been changed to a movie night!

**Newsworthy:** You may have missed the announcement last month, but the newest edition of the Kaethler family, Elizabeth, arrived mid-September. Congratulations! If Dr. Kaethler looks a little worse-for-wear, it may be due to lack of sleep. However, if he looks good, I can't explain it...

**Better Communication:** This communiqué is one way in which we want to keep you better informed as to what's happening, and keep you involved in the heart of the college. If you would like to receive emails from us, please email Scott - [scott@catholicpacific.ca](mailto:scott@catholicpacific.ca)

**Getting Involved:** There are many ways to get more involved with CPC outside of classes or events. There are Book Groups with Dr. Kaethler, the CPC Chamber Choir (come out 6pm Tuesday nights), or simply volunteering with setup/teardown for Mass. **\*Contact Scott for more info.**
