Happy New Year and Welcome Back!

"We are beginning a new solar year which is a further period of time offered to us by divine Providence in the context of the salvation inaugurated by Christ. But did not the eternal Word enter time precisely through Mary? In the Second Reading we have just listened to, the Apostle Paul recalls this by saying that Jesus was born "of woman" (Gal 4: 4).

Let us begin this new year, therefore, by looking at Mary whom we received from God's hands as a precious "talent" to be made fruitful, a providential opportunity to contribute to bringing about the Kingdom of God."

(Pope Emeritus Benedict XVI, *Homily on New Year's Day & Feast of Mary, Mother of God. 2007*)

It's Not Too Late:

I made a mistake on the website!! Dr. Kaethler's RELS 160 CP - Introduction to Theology course is actually on Mondays & Wednesdays 9:30am-10:45am (not Tuesdays & Thursdays). Mea Culpa, Mea Culpa, Mea Maxima Culpa. If you've been thinking about taking this important and fundamental course, stop thinking about it and take it. It's not too late!

Parking Passes for this semester are available in Sherri's office - Remember the lot is patrolled by Clover Towing... you don't want to get caught without a permit.
