Happy All Saints to you!

"This, then, is the meaning of today's Solemnity: looking at the shining example of the Saints to reawaken within us the great longing to be like them; happy to live near God, in his light, in the great family of God's friends. Being a Saint means living close to God, to live in his family."

(Pope Emeritus Benedict XVI, *Homily on the Solemnity of All Saints*, 2006)

Student-Led Mass

CPC has been so blessed to be able to offer students, staff, faculty, and surrounding community a student-led Mass. And, being that it is student-led, students have many opportunities to take part in the college community in tangible ways. As a matter of fact, **we wouldn't be able to have Mass without student participation.** How will you help? The ways you can participate are set up/tear down of tables and chairs, sacristan (altar set up/tear down), cantoring (singing parts of Mass), reading, altar-serving, and more. Contact studentlife@catholicpacific.ca if you are interested.

***We are currently looking for a dedicated sacristan**

My office is in Chilliwack, but I also offer Video counselling. If you are struggling with pornography and would like more information, my website is www.renewedhopecounselling.ca. Weekly Social – Wednesdays after 11am Mass

Weekly Wednesday socials have been going amazingly well!! It is so good to see so many people coming out. We encourage you to invite someone along with you when you come. Don't waste a great opportunity to invite someone to Mass and fellowship. A priest once asked an audience, "How many of you had a major conversion while at Mass or Adoration?" Approximately 95% of the crowded room raised their hand. "See," he said, "bring someone to Jesus, and He'll do the rest."
